80 80

At the start of the year our lives were a mess
Now it's the end and our troubles are less.
We all had our ups and we all had our downs
Days filled with smiles, and days filled with frowns.
Things that we thought we'd never do
We did quite well more times than a few.
Some things were good and others were bad,
But look at the fun all of us had.
Most of our actions were hard to explain
A few were okay, but the rest were insane.
We made it through 12th, just like the rest,
But we are the champions and we are the best.

SEASONS LEFT BEHIND

Take Time

Whatever you do
Take some time out today
From the routines of living
That stand in your way.
Take a minute to look
At the brilliant blue sky
And the lovely cloud pictures
That go drifting by.
Enjoy a bird's song
Or a walk in the sun-
There's so much to be done
That time spent with beauty
And peace and content
Is never time wasted
But rather - well-spent!

DEDICATION

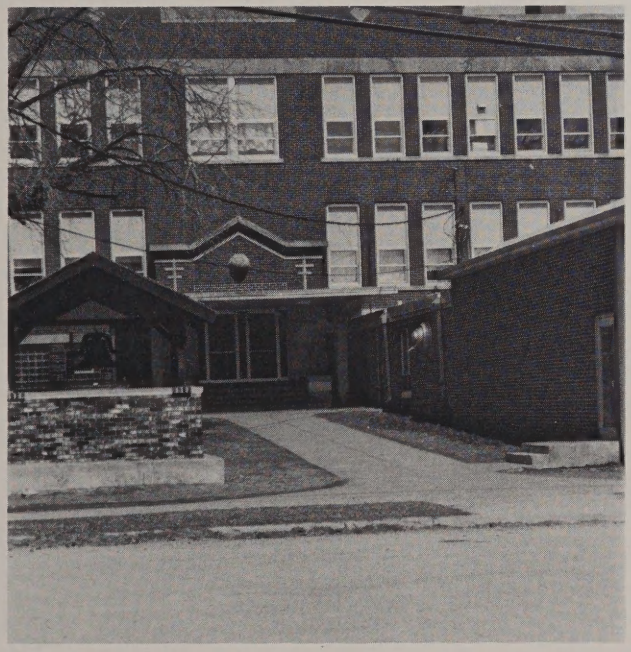

We, the Editors, along with the graduating class of 1980, wish to dedicate this issue of the Hawk, "Seasons Left Behind," to our parents, who have helped us throughout our years of school.

Your guidance and never-ending support have made it possible for us to attain a high school education. We will never forget the love and patience you have given to help us reach our goals in life.

In this way, we wish to thank you and we hope that as you look through the pages of this yearbook you will realize that we owe our success to you for showing us a way of living.

As we step into our uncertain future, we will always remember the goals, ideals, and memories that you have been a part of.

graduation was...

a piece of paper...a sheepskin....
getting grades...a foot in
the door...
a bit of nostalgia...a rat race...

a nose to the grindstone
doing something a little better than
someone else...doing something no
one had ever done before

outwitting the teacher...an apple
on the desk...ignoring curfew...
cramming all night...learning to
remember...remembering to forget

borrowing books...swapping
notes...reading and rereading...
Bunsen burners...mini computers
...IBM do-not-mutilate cards...
broken typewriters

cheerleaders...slide trombones
...locker rooms...warm benches
...pennants...mud and snow...
referees...sack lunches...long lines
...making friends...saying
good-bye...

cutting classes...watching the
clock...fun while it lasted...

But don't forget: graduation is only
the beginning; the best is yet to come.

MR. ROBERT FORMANEK retired after 35 years in education. He taught and coached in New Hartford from 1947-1951. He also served as superintendent in N.H. from 1977-1980. He and his wife, Jean, will continue to make their home in New Hartford.

PEARL OSTER retired after having taught first and second grade at New Hartford for 29 years. She began her career in education in 1936 in a one-room school house. She came to New Hartford in 1952. Her future plans include marriage to Mr. Rex Rivers.

MR. JAMES THORNTON, who has been principal at New Hartford for five years, will be moving to Waukon, Iowa to serve as principal.

IN MEMORY OF MR. DAVE GOEDKEN
who lost his battle with cancer in October, 1979. Dave taught science at New Hartford from 1975 - 1979. His enthusiasm and courage touched the lives of all those he came in contact with.

Our Father knows what's best for us,
So why should we complain—
We always want the sunshine,
But He knows there must be rain—
We love the sound of laughter
And the merriment of cheer,
But our hearts would lose their tenderness
If we never shed a tear...
Our Father tests us often
With suffering and with sorrow,
He tests us, not to punish us,
But to help us meet Tomorrow...
For growing trees are strengthened
When they withstand the storm,
And the sharp cut of the chisel
Gives the marble grace and form...
God never hurts us needlessly
And He never wastes our pain,
For every loss He sends to us
Is followed by rich gain...
And when we count the blessings
That God has so freely sent,
We will find no cause for murmuring
And no time to lament...
For our Father loves His children,
And to Him all things are plain,
So He never sends us Pleasure
When the Soul's Deep Need is Pain...
So whenever we are troubled,
And when everything goes wrong,
It is just God working in us
To make Our Spirit Strong.
